Interior and driver mirrors

Beverage holders

Unique automotive-style ignition key

Two-year limited warranty (including parts & labor)

The street-legal, Villager 2 LSV is the best solution for those looking to significantly reduce their fuel and vehicle maintenance expenses. It requires no fuel, operates silently, and is perfect for getting to a neighborhood golf course, picking up take-out at your favorite restaurant, or zipping to the gym for a workout. Choose the optional cargo box, and you'll have enough room to carry a week's worth of groceries or haul your dog to the local park for a walk.

The zero emissions, environmentally-friendly Villager 2 LSV has a low profile and powerful drivetrain which makes it nimble and exhilarating to drive, while its automotive-style appointments make passengers feel comfortable and safe. Because it's a cinch to recharge and cost pennies a day to operate, it's a practical alternative to everyday suburban or in-town excursions.

[1] The vehicles referenced herein have been designed and manufactured to comply with the United States National Highway Transportation and Safety Administration's Low Speed Vehicle rules and regulations. The operation of these vehicles is also subject to all applicable state and local laws, the effect of which may be to further limit or prohibit the lawful operation of these vehicles in certain environments. Do not operate these vehicles without a valid and appropriate state-issued driver's license. Club Car supports only the safe and legal use of our products and, therefore, strongly recommends that you inquire with the relevant state and local municipalities before attempting to operate these vehicles on roadways or in closed communities. Do not operate these vehicles in violation of applicable law, contrary to the instructions or recommendations contained in the Owner's Manual or in a manner that impedes traffic. To reduce the risk of injury, always operate these vehicles in a safe and conscientious manner while wearing the seat belts that come as standard safety equipment on all Carryall LSV models. [2] 2-passenger LX model shown here. [3] All vehicles shown may include additional options/accessories and may not be available on all models. Ask your authorized Club Car dealer representative for a complete listing of accessories and availability. [4] Actual dimensions and specifications are subject to change. [5] There are no warranties, expressed or implied, contained herein. See Limited Warranty found in the owner's manual or write to Club Car, Inc. The company reserves the right to make design changes without obligation to make these changes on units or systems previously sold.
